

South West Region Self-catering Occupancy Survey 2006

This sheet contains a summary of the information collected from self-catering accommodation in 2006
Data for the self-catering occupancy survey is collected in Cornwall, Gloucestershire, Somerset, Wiltshire and Dorset.
Devon data is collected by Devon Tourism and therefore not able to be included in the regional results.

Please note that these figures relate to the occupancy of accommodation available (i.e. open) during each month.
